We have also made some other changes this year to the School Supply List. In the past parents were asked to send in supplies such as gallon size Ziploc bags, sandwich baggies, paper towels, tissue, and other items. We are not asking for these items this year. Instead, your child's teacher might display a list of items at the Open House that could be donated if you choose. However, these items will not be included in our School Supply List.

We have worked this year to review our lists and really focus on the essentials. We always appreciate all that you do for our schools and we thank you for your ongoing support.
