December 1, 2017

Dear Parents/Families,

As a follow-up to my letter of November 22, 2017, I am writing to inform you that the Derry School Board voted on November 28, 2017 to approve the proposed middle school placement beginning in the 2018-2019 school year. This vote originated from the need to balance the projected middle school enrollment. Students from South Range and Derry Village Schools will attend West Running Brook Middle School for their middle school years. Students from Grinnell School will attend Gilbert H. Hood Middle School for their middle school years.

If you have a fifth grade child with an older sibling(s) in middle school, your child will have the choice to attend the same school where his/her sibling is currently enrolled if the sibling is either a current sixth or seventh grade student. Please contact my office, in writing, if you would like to keep siblings together so that each school will be aware of the changes. Programs such as Project ME will remain at West Running Brook Middle School, while NECC and ISLE will remain at Gilbert H. Hood Middle School.

Transportation is being coordinated with our provider, First Student. More specific information regarding transportation will be available in the spring. Please feel free to call me if you have any questions or concerns.

Sincerely,

Mary Ann Connors-Krikorian, Ed. D.
