Dear EDMES Community,

It is with mixed emotions I write this letter to let you know that I will be moving to Gilbert H. Hood Middle School as their new Principal. I will be returning to the school I was an Assistant Principal at prior to coming to EDMES. Although I am sad to leave the wonderful EDMES community, I am excited to begin work again at GHHMS. EDMES has been home to me for the last six years and I have enjoyed and learned from the relationships I have formed with students, parents, and teachers.

It is with pleasure that I tell you that Mr. William Fox will be moving to EDMES from GHHMS to be your new Principal. He comes with five years of experience as a school administrator in the Derry Cooperative School District at both Gilbert H. Hood and West Running Brook Middle Schools. In addition, Carrie Sindoni will be your new Assistant Principal. She has been an Assistant Principal at Grinnell Elementary School for the past four years. As you can see, they both come with a lot of experience. Mr. Fox and Mrs. Sindoni are eager to begin their work at EDMES. We have been meeting together and will continue to meet together to ensure their transition to EDMES goes as smooth as possible.

As always with any school administrator, communication is the key to any successful relationship. Please do not hesitate to contact me, Mr. Chouinard, Mr. Fox or Mrs. Sindoni if you have any questions. I am positive that you will have strong and caring administrators to work with in your child's future at EDMES. I thank all of you for the positive relationship we have formed and if you need to contact me in future years, you can always email me at kcarpentino@sau10.org.

Sincerely,

Kim Carpentino
Principal
