

WHAT IS YOUR VISION FOR NH SCHOOLS?

The Every Student Succeeds Act (ESSA), the replacement for the law commonly known as No Child Left Behind, provides the state and all NH schools with a chance to sharpen our collective vision for education and improve, innovate and strengthen our public schools.

The New Hampshire Department of Education (NHDOE) wants all of our stakeholders to join in this critical discussion by sharing ideas on what is most important to improve student learning and how the state can best support schools to serve the needs of all students.

Please join us at one of our upcoming public forums or complete our online survey to tell us your vision for the New Hampshire Public Schools.
