Dear Parents/Guardians:

This letter is to inform you that the Derry School District has been and will continue to conduct safety drills at each of our schools with students and staff throughout the school year. These drills are an integral part of our District Safety Plan.

Safety drills are conducted with Derry Police and Derry Fire officials. These drills are designed to assist us in continually improving upon our programs and safety procedures, and we continue to work diligently to ensure student safety and well-being each day.

Thank you for your continued support of our schools. If you have questions about student safety, please feel free to contact our Business Administrator, Ms. Jane Simard, at 432-1210 or [jsimard@sau10.org](mailto:jsimard@sau10.org). We are always happy to answer questions or discuss your concerns.

Thanks again for your support of our schools.

Sincerely,

Dr. Laura Nelson, JD  
Superintendent
