Welcome to the Derry Cooperative School District! For the 2018-19 school year, we will be screening all incoming kindergarten students. If your child will begin kindergarten in the fall of 2018, please call your school for a screening appointment. A teacher will screen your child using a developmental assessment. The screening will take approximately 10-15 minutes. Before the scheduled appointment, please let your child know that he/she will do some fun activities to help the school get to know him/her better.
